

DRY AGER

BUILT FOR BEEF

DX1000 Smart Ager

Technical Specifications

Dry Aging has never been easier: With SmartAging®

The perfect result at the touch of a button.

Because you don't want the meat to shiver, but instead to age, the new generation of DRY AGER® Dry Aging Fridges, promises success - plain and simple.

Now we have more than just beef on the menu: SmartAging® can be used to dry age a wide variety of foods.

And because you certainly don't want to make any mistakes, now your worries are over. Because now you can be sure that you have the right parameters at hand for the aging process of any food: at the push of a button.

You just select the appropriate dry aging program via the new control system directly on the DRY AGER® Dry Aging Fridge, and off you go.
